VII

1.

U ovom poglavlju analizirani su rezultati istraživanja o uticaju senzorne informacije na motoriku kod osoba sa smetnjama u razvoju. Rezultati su prikazani u tabeli 10-12. (Kronbah Alfa=,986) i tabeli 10-13. (Kronbah Alfa=,852), kao i u tabeli 10-14. (Kronbah Alfa=,793).

2.

Rezultati istraživanja o uticaju senzorne informacije na motoriku kod osoba sa smetnjama u razvoju prikazani su u tabeli 13-15.
