

*The 23rd International Conference on
Finite or Infinite Dimensional Complex Analysis and Applications*
第23回有限無限次元複素解析国際会議

CERTIFICATE OF TALKS

This is to certify that *Vesna Manojlovic*
has presented the invited lecture "On Pavlovic's theorem in space", in the 23rd International Conference
on Finite or Infinite Dimensional Complex Analysis and Applications in Fukuoka, Japan, from 24th to 28th
August 2015.

Hidetaka Hamada

Hidetaka Hamada

Chairperson of the local organizing committee of the 23rd ICFIDCAA
Faculty of Engineering, Kyushu Sangyo University, Fukuoka, Japan
