The diagram illustrates the evolution of the 'right to life' concept over time. It features a vertical timeline with horizontal bars representing the scope of the right at different years. The bars are labeled with years: 1970, 1998, 2005, 1999, 2005, and 2010. The bars show a general expansion of the right over time, with the 2010 bar being the longest. The diagram is titled 'The right to life' and includes a legend indicating that the bars represent the 'Right to life'.

Year	Scope of Right to Life
1970	Basic right to life
1998	Expanded right to life
2005	Further expanded right to life
1999	Expanded right to life
2005	Further expanded right to life
2010	Most expanded right to life
