Dr. Vesna Rasic-Otrin  
6341 Monitor Street  
Pittsburgh, Pennsylvania 15217

Dear Dr. Rasic-Otrin:

I am pleased to inform you that your reappointment has been approved as Adjunct Assistant Professor of Microbiology and Molecular Genetics in the School of Medicine, Department of Microbiology and Molecular Genetics, retroactive to October 1, 2017 to September 30, 2018.

We appreciate your willingness to serve the University in this capacity.

If this is acceptable to you, please print and sign a copy and return it to the Office of Faculty Records at [facrec@pitt.edu](mailto:facrec@pitt.edu) or send to G-39 Cathedral of Learning, within ten days.

Sincerely,

Patricia E. Beeson  
Provost
