

UNIVERSITY OF JYVÄSKYLÄ
FACULTY OF MATHEMATICS AND SCIENCE

Jyväskylä 5 January 2011

Docent Vesna Manojlovic
Faculty of Organizational Sciences
University Of Belgrade
11000 Belgrade
SERBIA

Dear Docent Manojlovic,

The Faculty of Mathematics and Science of the University of Jyväskylä appreciates your promise to act as an opponent at the dissertation of Ms. Päivi Lammi, Msc. The dissertation will take place on 12th February 2010 at 12 (University of Jyväskylä, Main Campus, lecture hall S212 (Seminarium)). Prof. Pekka Koskela will act as a chairman.

The procedure includes some formalities according to the university statutes. Please find enclosed a description of these formalities.

On the basis of the opponent's evaluation and analysis of the work, the Faculty Council will decide on the approval of the thesis and grade it. The thesis will be graded according to the scale "failed" - "approved" - "approved with honours" (the most outstanding dissertations, approximately 5 % of the total).

The thesis may consist of several separate publications focusing on the same problem and a review based on the separate publications. In the review, the author is expected to present the background, aims, methods, results and discussion of the thesis. Multi-author publications are allowed, if the work of the author of the thesis can be identified. The author has to include a report on his/her work in multi-author publications.

The Faculty will pay you an honorarium for acting as the opponent. For the payment, please, return the enclosed personal data form.

The Faculty kindly asks you to address your written statement, including the proposal for the grade, on the defendant's thesis to the Faculty Council and mail it to Ms. Marja Korhonen (Faculty of Mathematics and Science, P.O. Box 35 (MaD), 40014 University of Jyväskylä; email: marja.e.korhonen@jyu.fi) within two weeks after the dissertation.

Yours sincerely,

Head of the Department, Prof.

Tero Kilpeläinen

Departmental Administrator, Ms.

Hannele Sääntti-Ahomäki
