Subject: [PTT] Editor Decision - Accept Submission

Dear Ivan Ivanović, Nikola Čelar, Vladimir Đorić, Dragana Petrović:

Your submission "Modeling the Impact of Rain in Traffic Assignment Procedures" has been peer-reviewed and included in the list of papers to be published in one of the upcoming issues of Journal Promet – Traffic&Transportation.

At this stage, it is necessary to do the following:

1. At the beginning of the paper, add the information about the authors (name, academic degree, email, affiliation and full address of the affiliation) in English.
2. Shorten the abstract to maximum of 200 words.
3. Correct Figure 2 - either the legend is wrong or graphs are missing.
4. Format the list of references according to the examples in Paper template
<https://www.fpz.unizg.hr/traffic/public/journals/1/Preparation-of-the-paper.docx>
5. Before References, add the authors' information, title, abstract and keywords in the first author's native language.
6. Upload the final version of the paper using Copyediting discussion.

Before publishing, we require that you fill out the following statement

http://www.fpz.unizg.hr/traffic/public/journals/1/PTT_Authorship_statement.pdf. Please sign the statement and upload a scanned copy to the Copyediting discussion.

After your paper has been assigned to one of the upcoming issues of the journal, you will be asked to pay the publication fee.

Please do not reply to this e-mail. All communication should be done using Copyediting discussion.

Kind regards,

Ms. Jasenka Badanjak
