Dear Dr. Rajković,

Thank you very much for your confirmation and for sending the revised version of the manuscript. I have made the necessary changes.

However, there are still a few points that require your confirmation. I have added comments and annotations in the document for your reference. Could you kindly check them?

Regarding your inquiry about publication, your manuscript is currently scheduled for Issue 4, 2025. Once published, it will be assigned a DOI, after which you will be able to submit your PhD thesis.

I look forward to your prompt response.

Best Regards,

Ms. Leah Teoh

Subject: Re: Manuscript No.: JEEMS41522 Your proof

Dear Ms. Teoh,

Thank you very much for sending me the galley proof of the manuscript.

Please find attached the revised version of the paper. All changes have been made within this version, marked in blue, and all corresponding comments explaining the changes have been included. Additionally, I am sending Figure 1 separately, as requested.

Could you kindly let me know when this paper is planned to be published? This information is very important to me, as I am unable to submit my PhD thesis until the paper has been assigned a DOI number.

Thank you very much for your kind assistance.

Sincerely,
