Ivana Vukićević Biševac, Ivana Jovanović:

We have reached a decision regarding your submission to the Scientific Journal of Maritime Research - Pomorstvo, "Game Theory Applications in Port Management –A Literature Review".

Our decision is to: Accept Submission

Congratulations!

What's next? Your paper will enter the copyediting stage, where our editors will contact you for proofreading. Once completed, the paper will be made available online in the Online First section of the journal and subsequently published in one of the upcoming regular issues of the journal.
